EMOTIONAL INTELLIGENCE SUMMIT
POSTER PRESENTATION

Are you ready to showcase your groundbreaking research and innovative ideas at the forefront of emotional intelligence? The Emotional Intelligence (EI) Summit invites you to submit your poster for consideration and be part of a transformative event that promises to elevate your work and connect you with leading minds in the field.

Why Submit Your Poster?
The EI Summit's poster board session is more than just a display; it's a vibrant hub for networking, collaboration, and discussion. Here, you'll engage with fellow researchers, practitioners, clergy, and industry professionals from diverse fields, all united by a passion for emotional intelligence. Your poster is your chance to visually communicate your findings, ideas, and solutions, sparking meaningful conversations and gaining valuable feedback from summit attendees.

Who Should Submit?
We value the expertise of a wide range of professionals, including students, researchers, practitioners, clergy, and industry leaders. Whether you're presenting innovative research, compelling case studies, effective interventions, or practical applications related to emotional intelligence, your contribution is essential to the success of this event.

About The Summit
Join us at the Emotional Intelligence and Social Mobility Summit at Clayton State University in Morrow, Georgia, from July 9 (Pre-Workshop) to July 11, 2025 (Full Workshop & Poster Presentations). This dynamic three-day event will delve into the critical intersections of Emotional Intelligence (EI) and social mobility, with a special focus on the emerging role of Artificial Intelligence (AI) in these areas.

Designed for a diverse audience, including business leaders, educators, healthcare professionals, clergy, community advocates, law enforcement personnel, public health specialists, and mental health professionals, your presentations will offer invaluable insights into how EI can drive talent development, enhance workforce capabilities, and foster broader economic growth, all crucial for improving social mobility within our communities.
